

BTL AGENCY ONE-PAGER BRIEF

Brand

Orchids House Farm Ltd

Objective

List. Be visible. Sell fast. Repeat.

Business Goal

Establish honey as a daily-use household product by winning shelf space, driving trial, and forcing repeat purchase.

Scope

A. Listing

- 1 100+ outlets in 60 days
- 2 Supermarkets, pharmacies, kiosks, dukas, market stalls
- 3 Secure shelf visibility and initial stock placement

B. In-Store Marketing

- 1 Product tastings (tea + honey)
- 2 POS materials: shelf talkers, counter displays
- 3 Retailer education
- 4 20 activations/week, 500+ trials

C. Sales & Sell-Through

- 1 Field sales reps deployment
- 2 Daily outlet visits and restocking
- 3 Retailer incentives
- 4 Promoters must convert sales

Product Focus

- 1 Hero SKU: 250g/300g honey jar
- 2 Support: small packs and family packs

Core Message

- 1 Use honey daily
- 2 Natural immunity for the family
- 3 Real honey, not sugar

KPIs

- 1 Active outlets
- 2 Units per outlet per week
- 3 Repeat orders
- 4 Stock-out frequency
- 5 Sales per promoter per day

Success Criteria (Month 2)

- 1 100+ stocked outlets
- 2 70%+ reorder rate
- 3 Strong shelf visibility
- 4 Clear hero SKU performance

Final Directive

If the product is not visible, not stocked, and not selling, the job is not done.
